

Is my child at elevated risk of COVID-19?

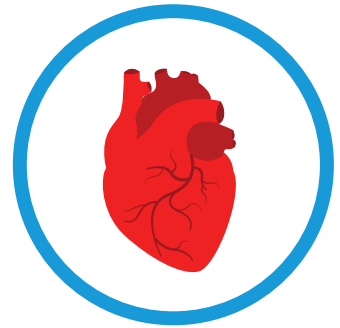

The following increase your child's risk of contracting COVID:

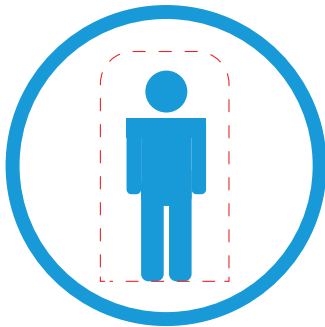

Children under one year

Asthma or another lung disease

Heart disease

Weakened immune system

Other chronic medical problems

Obesity

Call your provider if your child shows any COVID-like symptoms.

ABOUT

This publication was made possible through funding provided by the Access to Justice Foundation and Julian Grace Foundation. All information was curated and verified by Dr. Marina Del Rios, Dr. Pamela Vergara-Rodríguez, Suzanne Martinez, Susana González, Susan Avila and Anthony Carrera and edited by Steven Arroyo. The contents are solely the responsibility of Illinois Unidos and the Latino Policy Forum.
