

How can I visit others as safely as possible?

It's not safe to visit others. But if you must...

Always:

Wear a mask unless eating or drinking.

Keep at least six feet of distance with others.

- **Limit the gathering to less than 10 people and to less than two hours.**
- **Have everyone wash their hands frequently for at least 20 seconds.**
- **Protect those over 60 or with medical problems. Call or visit them virtually.**

If possible:

Set up outdoors if weather permits.

If indoors, keep windows open.

- **Have guests bring their own food and drinks.**
- **Have just one person serve food.**
